

Dear «firstname»:

Starting June 20th, North Shore Community College is pleased to invite you to jump out of line and **access all of your NSCC information and services online!** The unveiling of our new intranet, powered by Campus Pipeline creates a campus that never closes - a virtual face-to-face connection between NSCC and you.

Get access to campus services, including:

1. Access to your campus **email** from any computer with Internet access
2. **Chat** with classmates in secure, class-specific chat sites
3. View campus news, announcement and **event schedules**
4. **Research** job, career and internship opportunities
5. Receive personalized **news and weather** updates
6. Build a group or **personal Web site**
7. **Register**, add, and drop classes over the WEB (Coming Soon!)

Note: *A new email account has been created for you within Campus Pipeline. This means your existing GroupWise account will be terminated. Please file or print out any email messages you would like to save from GroupWise by June 17th. GroupWise accounts will be inaccessible after June 20th.*

Log on Beginning June 20th:

1. Access Campus Pipeline from our main home page located at

www.nscg.ma.us. Click on the Pipeline logo.

2. Activate your account by selecting **“Setup Your Account”** from the main logon screen as shown to the right.
3. Once you have setup your account, start browsing our new virtual campus!
4. If you need help, click on the **“Need Help”** link located on the main Campus Pipeline logon screen.
